

Amazon Locker solutions

Email chevronhublocker@amazon.com to schedule a survey

Targeted opportunity

Your location has been selected!
This invitation is only for specific stores that have been pre-screened by Amazon based on customer demand.

How it works

As an Amazon Locker host, you will benefit from an increase in foot traffic to your locations without paying for any of the setup and maintenance costs.

- Let Amazon know if you are interested.
- Amazon conducts an onsite survey to check viability.
- Amazon installs the locker.
- Locker is live! You’re ready to receive packages and Amazon Locker customers.

Rental breakdown

Stores will receive \$50 per month per locker installed.

What are the benefits?

- Increased foot traffic**
Increase frequency and loyalty from your existing customers, while boosting awareness of your business to new Amazon customers.
- Self-serve solution**
Fully automated locker that allows customers to pick up their packages using just their smartphone.
- Efficient use of space**
Each locker can be configured to make the most efficient use of your space whether that’s indoors or outdoors.

Survey Process & Locker Placement

- Amazon will prioritize an outdoor locker placement where possible to maximize exposure of this convenient delivery solution.
- All potential placements will be evaluated for adequate space and adherence to Americans with Disabilities Act (ADA) requirements.
- Amazon's compliance team will determine if an exterior option is viable after the site survey is conducted.
- Stores will have final approval of the proposed placement.**
