

# THE TIME TO PLAN IS ... NOW

## WHAT TO KNOW ABOUT THE END OF SALE FOR FLEXPAY IV ...

FlexPay IV is reaching the end of its life cycle, and we are announcing the End of Sale now to allow plenty of time for a Last Time Buy or to plan the transition to FlexPay 6.

Both the 9 in. All-in-One and the 15 in. Modular FlexPay 6 terminals are orderable and shippable through the GVR sales portal for Encore 500/700S dispensers.

Orders for new FlexPay IV Retrofit Kits and Encore Dispensers with FlexPay IV terminals will be accepted till Oct 31, 2024.

We will continue to provide Software releases through December 2029.\*

New “ground up” sites should specify FlexPay 6 terminals starting now.

\*Within compliance limitations.
