We are continuing to work with Albertsons Companies banner stores to bring you a loyalty program to excite customers and help build business at your site!

This is a great opportunity to reward existing customers and help gain new ones by leveraging the Albertsons Companies Gas Rewards program. Customers can earn rewards by shopping at Albertsons Companies banner stores with their registered phone number and can redeem those rewards for up to 20 cents off per gallon of fuel purchased with a maximum of 25 gallons and one vehicle per visit at participating Chevron and Texaco stations. Other restrictions apply. Please see <https://www.safeway.com/foru-guest.html> for more information. Your kit includes refreshed POP. Please remove your current Island 3x3s, Trash Valet Toppers and replace them with the new POP in your kit.

NOTE: Chevron Gas Rewards program POP is 25% of the island. ExtraMile Sites: Refer to placement guide in ExtraMile kit.
